

Suen Douh Camp

2009 Update

1. At present, we have 27 full-time co-workers and two part-time co-workers, including 22 co-workers who involve in gospel ministry.
2. Concerning this year's gospel camp ministry, as affected by the closure of the schools due to the impact of swine influenza H1N1 in the 1st half of the year, a number of camps have been cancelled. There were a total of 53 gospel camps between January and November, with 5346 campers, of which 4012 did not believe in Christ before visiting our camp, and 2924 campers received Christ during their visits. There were a total of 423 volunteers involved.
3. In the rental services, there were a total of 164 overnight camps between January and November, serving 40,832 campers and 148 day camps, serving 13,174 campers

4. We had one evangelism training (magic-balloon course) with 5 participants and 2 War Game days with 50 participants.
5. During summer vacation, we held our first-ever "Joint Youth Gospel Camp", there were five churches participated, giving our co-workers opportunity to accumulate more experience for organizing youth camp and serving church youth in the future.

6. After completing the first phase dormitory renovation last year, our living environment has been greatly improved, and we had very positive response from campers.
7. This year special projects: children's playground mats have been replaced, a toilet and a bathroom for disable has been installed, in addition to, newly renovated toilets and bathrooms in the No.2 building

8. Preparatory work for the second phase of the project has started. In 2010, our main aim will be refurbishing and replacing our outdoor recreation facilities to attract more non-believing campers to use our camp site; we have to raise a total of HK \$ 6,000,000 (US \$ 750,000) for the project.
9. We will develop youth discipling camp as one of our future ministry, to help and better spiritual growth of young Christians.

10. We will develop youth discipling camp as one of our future ministry, to help and better spiritual growth of young Christians.
